Closing date for registration is Nov 23 with race pack collection days on Nov 25 and 26.

"Runners will get to see the

scenery and the atmosphere of Unimas' campus. We do this event to welcome members of the public here and have a look of what Unimas' campus looks like as I believe not every member of the public have visited Unimas before," Unimas assistant vice chancellor Prof Mohd Fadhil Abd Rahman said.

Besides LSC the event will have four other sponsors namely Revive Isotonic, Milo, Cherrios and Maxis

Broadband.

"We are privileged to be able to work with Unimas for this event. LSC is just happy to be able to contribute in any way we can to a prestigious public institute of higher learning like Unimas," said LSC managing director Raymond Sim Hee Pang.

Runners can look forward to RM10,000 worth of prizes and all who complete the run will get a finisher's medal.
