

## **UNIMAS attempts to make biggest, thickest kek lapis**

**on 07 December 2012.**

KUCHING: In conjunction with its 20th anniversary, Universiti Malaysia Sarawak (UNIMAS) will be holding a variety of events throughout the month of December.

Among some of the events to be held are 'Jerayawara Gemilang UNIMAS' (9 Dec), 'Titian Gemilang' (12 Dec), 'Konsert Lagenda' (14 Dec) and 'Bicara Kampus' (15 Dec).

This was revealed by UNIMAS Vice Chancellor Professor Datuk Dr Khairuddin Abdul Hamid during a press conference at UNIMAS here yesterday.

Well-known local artists such as Dayang Nurfaizah, Alyah, Azharina, Asmidar and Misha Omar will be present to grace the 'Titian Gemilang' and 'Konsert Lagenda' events.

The 'Titian Gemilang' event will be especially interesting because the university is attempting another achievement for the Malaysian Book of Records by baking the biggest and thickest 'kek lapis' (layered cake).

UNIMAS has already established itself in the Malaysian Book of Records by accomplishing the longest poetry reciting session (88 hours) and taking part in the largest caving expedition (700 participants).
