

## **IRLS Family Day at Matang Family Park**

*IRLS Family Day was held on March 30th, 2014 at Matang Family Park, Kuching. The Family Day was organized by IRLS committee members and involved all the IRLS students from first to final year. The goal of the Family Day programme was to provide an opportunity for students to meet their lecturers and fellow students outside the formal learning environment on campus. Such an activity helps to create stronger bond among students as well as between students and lecturers. In conjunction with the event, various activities were carried out including aerobic, ice breaking games, picnic, BBQ and swimming in which everybody took part actively in. Both lecturers and students were obviously enjoying themselves and had a great time together. The programme ended at 6.00 pm.*
