Dr Ahmad Hata served as a senior consultant orthopaedic surgeon in SGH, providing clinical service to patients admitted there.

In 2002, he set up paediatrics orthopaedic service after the

increasing number of paediatrics orthopaedic cases referred from Sarawak.

He was appointed a member of Malaysian Medical Council (MMC) for two terms (2006-2012) and reappointed for the 2014-2017 term by the Health Minister. He also contributes to the

maintaining of the standard of medical education in Malaysia and was appointed by the Malaysian Qualifying Agency (MQA) as part of the Panel of Accreditation visit team to accredit the medical programmes in several public and private medical schools.
