Tajuk : MSNS team inspects Sukma village

MSNS staff with sponsor LEA Centre representatives after the inspection of the Games Village in Unimas.

## MSNS team inspects Sukma village

**KUCHING:** Fourteen Sarawak State Sports Council (MSNS) officers were given a tour of the facilities at Universiti Malaysia Sarawak (Unimas) which will be used as a Games Village for the Sarawak Contingent during the 18th Sukma July 22-31.

On hand to guide the group were Unimas head of sports officer Zamberi Baizuri and his colleagues who showed the

facilities which will house the Sarawak athletes as well as MSNS working staff.

The facilities included on the Thursday visit were the athletes hostel, the operation room/secretariat as well as the first aid clinic. They also checked on the main hall which will be used for the official opening of the contingent camp where the symbolic presentation of flag to

the state contingent will be done by Chief Minister Tan Sri Datuk Patinggi Adenan Satem.

The athletes will start moving into the Games Village from July 14 with sports events such as football starting the earliest on July 15. All athletes, except for petanque, tenpin bowling, rhythmic gymnastics, wushu, squash and golf, will be staying at the games village.
