NURSING PROCEDURES in Special Areas

SECOND
EDITION

Saloma Pawi is a Senior Lecturer in the Nursing Department, Faculty of Medicine and Health Sciences at Universiti Malaysia Sarawak. She obtained her Master of Nursing from Monash University, Gippsland Campus Australia, Bachelor of Sciences (Nursing with Honours) and Postgraduate Diploma in Teaching and Learning from Universiti Malaysia Sarawak. As a trained public health nurse, she has served in various health districts in Sarawak with the Ministry of Health Malaysia before embarking into academia. Her research interest is in community health nursing as well as mental health nursing.

Rekaya Vincent Balang is a lecturer at the Department of Nursing, Faculty of Medicine and Health Sciences, Universiti Malaysia Sarawak (UNIMAS). He obtained his Bachelor of Science with Honours (Nursing) in 2001 from Universiti Malaysia Sarawak. Subsequently, he completed his Master Degree in 2008 at the University of South Australia (UniSA). Rekaya obtained his Post Graduate Diploma in Teaching and Learning from Universiti Malaysia Sarawak in 2010. He served as a nurse in various clinical settings which include the Operation Theatre, Orthopedic Clinic, Accident and Emergency Unit as well as at the Mental Health and Psychiatric Unit. He is currently pursuing his doctorate study at the University of Huddersfield, United Kingdom.

Sidiah ak John Siop is an Associate Professor at the Department of Nursing, Faculty of Medicine and Health Sciences, Universiti Malaysia Sarawak (UNIMAS). She obtained her PhD in Gerontology from Universiti Putra Malaysia, Master of Health Sciences (Hons) from the Auckland University of Technology New Zealand, and the Bachelor of Health Sciences (Nursing) from the University of Western Sydney Nepean Australia. She is a trained public health nurse before embarking into academia. She has served in several health districts in Sarawak including at the State Health Department's Tuberculosis Control Programme.

Jane Buncuan is a Senior Lecturer in the Nursing Department, Universiti Malaysia Sarawak. She obtained her Master of Nursing from Flinders University of South Australia and Bachelor of Health Sciences (Nsg) from University of Western Sydney Nepean. She also has Diploma in Applied Nutrition from University of Indonesia. She is a qualified PHN before embarking into academia. She has worked in several health settings including the State Health Nutrition Unit and State Health Quality Unit. She advocates professionalism and higher education in nursing.

Dev Nath Kaushal is a lecturer with the Department of Nursing, Faculty of Medicine and Health Sciences, Universiti Malaysia Sarawak (UNIMAS) and currently heading the Clinical Simulation Centre in the Faculty. He obtained his specialization in Advanced Emergency Medical and Trauma Care (AEMTC) from Kementerian Kesihatan Malaysia (KKM) and further his Bachelors in Nursing Science with Monash University, Australia and Masters in Nursing Science with Northumbria University, United Kingdom. He is also a certified American Heart Association (AHA) instructor for Basic Life Support (BLS) and Advanced Cardiovascular Life Support (ACLS).
