

Unimas students attend talk themed 'Inspirasi Remaja Islam' by Ustaz Don

KOTA SAMARAHAN:

Students were joined by people from surrounding communities as they packed Detar Putra in Universiti Malaysia Sarawak (Unimas) to attend a talk by up-and-coming religious scholar Ustaz Don Daniyal Biyajid last Saturday.

Popularly known only as Ustaz Don, the 28-year-old is renowned for his unique way of presenting his talk. He has even appeared in several TV shows.

The talk in Unimas themed 'Inspirasi Remaja Islam' organised by the university's engineering students was held with the objective to shape quality undergraduates, who are both proficient in religious and academic matters.

The programme director Norimah Amat Sailan said she was impressed by the encouraging response to the event.

"We are grateful that a huge crowd has turned out. In the future, we will continue to organise programmes that benefit both the students and the surrounding communities," she said.
