RESTRICTED CLASSIFICATION OF MASTER THESIS

Dear Mr/Mrs/Miss,

As mentioned in the subject, I am writing to inform you about the classification of the Master Thesis conducted by the student under my supervision. The thesis has been designated as "restricted" due to its intended for publication. Below are the details of the student:

Name: Nurul Mirza Afiqah Binti Tajudin
Matric Number: 20020033
Master Thesis Title: Development of Deep Learning Classification Model for Diabetic Retinopathy Detection and Grading

The restriction has been implemented to maintain the confidentiality of the research until 31st December 2024, the intended date of publication. During this period, access to the full details of the thesis will be limited to authorized personnel only.

Your cooperation in adhering to the confidentiality requirements is highly appreciated. We kindly request that you ensure the information remains confidential until the restriction period is lifted.

Thank you for your attention to this matter, and your support in maintaining the confidentiality of this Master Thesis is of great importance.

Sincerely,

Dr Kuryati Binti Kipli,
Senior Lecturer,
Faculty of Engineering,
Universiti Malaysia Sarawak.
