Dear Dr,

**APPOINTMENT AS A COACHES & FACILITATOR FOR THE HACKATHON
UNIMAS PROGRAM**

Kindly refer to the above-mentioned subject matter.

1. Education on sustainability issues is crucial for generating awareness and changing the behavior of the academic community, enterprises, government and society toward a sustainable future.
2. Therefore, Institute of Sustainable and Renewable Energy, Universiti Malaysia Sarawak in collaboration with the HEPA (UNIMAS Sustainability Society), Pusat Keusahawanan UNIMAS(UEC) and MBOT Techzone Sarawak, will be organizing Hackathon UNIMAS Program. The details of the competition are as follows:

Programme : ONLINE COACHING
Date : 5 June 2024
Time : 2:00 pm – 3:00 pm
Topic : ENVIRONMENTAL, SOCIAL AND GOVERNANCE
Zoom Link : <https://unimas-my.zoom.us/j/93402787289?pwd=d3JNM0VsaUlyOXpmamxERXVGmMm dPZz09>

Programme : HACKATHON
Date : 7 - 9 June 2024
Venue : Active Learning Space, Level 1, Faculty of Engineering,
UNIVERSITI MALAYSIA SARAWAK

3. The objectives of this program are:
 - i. Cultivate enthusiasm and awareness among participants about sustainability issues
 - ii. Promote innovation in sustainable practices by moving from a traditional linear economy to a sustainable circular economy.
 - iii. Introducing and applying the 7R concept towards a low-carbon campus.
 - iv. Critical and creative thinking skills to solve problems.
