Academia – Ikhwan & Riduan

Mohd Ridwan Abd Rahman

This assessment of the diversity, from the leading researchers in traditional areas of South Asia, the Middle East, and the Islamic world, is based on a survey of over 1,200 graduate students, faculty, and professionals in the field. The analysis was conducted by the Center for the Study of Religion and Society (CSRS), a research institution based at the University of Chicago. The study included interviews with leading scholars in the field, and a survey of academic institutions around the world. The results are based on a comprehensive analysis of the data and provide a detailed picture of the diversity of South Asian and Islamic research.

Mohd Ridwan Abu Bakar

The paper focuses on the diversity of South Asian and Islamic research, and its impact on the field. The analysis was conducted by the Center for the Study of Religion and Society (CSRS), a research institution based at the University of Chicago. The study included interviews with leading scholars in the field, and a survey of academic institutions around the world. The results are based on a comprehensive analysis of the data and provide a detailed picture of the diversity of South Asian and Islamic research.

4. Getting Started H & Citation Indices

Ting Su Hie & Taj:
2. General citation; author; all/any words; Lookup
3. Check selection
4. View results, statistics

Issues & Enhancement
- Registered to Google Analytic
- soon will be visible through www
- link to e-Prestasi
- Link to IRIS
- cross link to / from academia
5. Getting Started Scholar Indices

- You can sign up for a Google Scholar Citations profile. It's free.
  https://accounts.google.com/ServiceLogin?service=citations
- On the next page, you'll see groups of articles written by people with names similar to yours.
- Click "Add all articles" next to each article group that is yours, or "See all articles" to add specific articles from that group.
- If you don't see your articles in these groups, click "Search articles" to do a regular Google Scholar search, and then add your articles one at a time.
- Select the "Add" option from the Actions menu. Search for your articles using titles, keywords, or your name.

- http://en.wikipedia.org/wiki/Main_Page
- Search your specific subject "Kelawar Ladam".
- You may create the page "Kelawar Ladam", but consider checking the search results below to see whether the topic is already covered.

Acknowledgments

- PPAU, CAIS, PreU, FRST to collaborate and organise this workshop.
- FRST for the PC Lab 2 use.

Points to Ponder:

- Confucius saying:
  - The superior man is modest in his speech, but exceeds in his actions.
  - To build a nation – community first – family first – ...we must first cultivate our personal life; we must first set our hearts right.
  - Time flows away like the water in the river.
  - That you must build, swim, float & live with your team
