

# UNIMAS*Now*

The Official UNIMAS Mobile App

The product of Center for Information & Communication Technology Services (CCTS)

Courses & Credits

Money Matters

**Check courses and credit hours** that you have successfully registered for.

**View your course enrollment** log, recorded from the first day you entered UNIMAS.

**Receives registration confirmation** for every new course registered and avoid hassles of frequent email checks.

**Get near real-time information** about your personal university financial account.

**Check your transaction** history of charges and payments made to the university.

**Be notified** of any outstanding payment thus avoiding potential **issues** especially those related to **exam permission**.
