BINTULU: The Kejaman Language Dictionary had been published and delivered to the people in a ceremony held at Rumah Kejaman Neh, Long Liten, Belaga recently.

The handover of the dictionary was held in conjunction with the creation of the largest participa-

tion of Suwey dancers record for the Malaysian Book of Records at the longhouse.

Sarawak administration officer and organising chairman Kuba Lusat handed over the dictionary to Assistant Minister of Culture and Heritage Liwan Lagang who is also Belaga assemblyman.

The research for a Kejaman

language dictionary started three years ago by a lecturer of Universiti Malaysia Sarawak (UNIMAS) Amee Joan and programme director Jacquelyne Ekot who is also a native speaker of Kejaman language.

Also present at the ceremony recently were Penghulu Kubang and longhouse chiefs.
