Unimas' mini Oscar night for annual cinematography programme on May 25

KUCHING: The cinematography programme of Unimas is back with the 12th instalment of its annual open Varsity Short Film competition and an awards night much like a mini Oscar.

This event will take place on May 25 from 7:30pm at the Faculty of Applied and Creative Arts (FACA)'s Experimental Theatre.

In this year's series, the theme has been set in a Steampunk-inspired element, complete with the slogan 'An Innovation of

Cinema', in conjunction with the innovation and changes of cinema and film making scenes in Malaysia.

This event is organised by the Third and Final Year students of the programme, with the stage and set design, conceptualised and built up from scratch by the Second Year Students.
