Documents analysis using a structural approach is done on Kunang Pesisir Morten, a novel by Raiha Bahaudin (2015) to identify the ideas, views, visions, hopes and significant values in overcoming the racial prejudiced revealed by the Indie writer's in their masterpiece. Three objectives are specified, which is first to identify Indie writers' thoughts in overcoming racial prejudice among Malaysians, second to analyse novel written by Indie writers which are rivals to other serious mainstream creations and thirdly, to determine a new definition towards Indie masterpieces which are getting more recognitions in Malaysia. Kajian ini ialah kajian kualitatif yang menggunakan kerangka teori realisme George Lukacs (1963). Data korpus berbentuk teks digunakan. Analisis dokumen secara struktural dilakukan terhadap novel Kunang Pesisir Morten karya Raiha Bahaudin (2015) untuk mengenal pasti idea, pandangan, wawasan, harapan dan nilai-nilai yang signifikan dalam mengatasi masalah prejudis perkauman yang dibawakan oleh penulis Indie dalam karya mereka. Tiga objektif ditentukan, iaitu untuk mengenal pasti pemikiran penulis Indie bagi mengatasi masalah prejudis perkauman dalam kalangan rakyat Malaysia, kedua ialah untuk menganalisis novel-novel Indie di Malaysia yang setanding dengan karya serius dan ketiga, untuk menentukan definisi baharu kepada karya-karya Indie yang kian pesat berkembang di negara ini. Keseluruhannya, karya Indie didapati setanding dengan karya-karya sastera pelbagai genre yang ada di Malaysia.
