*"By the act of your ancestors and mine,
and by the accident of birth, I was born
to be your servant - a relationship
formally recognized by the British
Government in its treaties with
Sarawak and my family. That
relationship was impugned but not
changed by my uncle's cession of
Sarawak and its annexation by the
British Government.*

*In good or ill, so long as you wish to
maintain that relationship, I shall
continue with gratitude, affection and
pride to regard myself as your servant."*

*Anthony Walter Dayrell Brooke
Message sent to all the anti-cession movements in
Sarawak on 3rd September 1951.*
